*A Reminder of Sen. McCarthy*

At least six years ago, Sen. Joe McCarthy warned that we were being betrayed from within this country. He was ridiculed and smeared for his warning.

He was pilloried by Eleanor Roosevelt, Harry Truman, Edward R. Murrow, and our current TV attorney, Joseph Welch. President Eisenhower said he "wouldn't go down to the gutter" to talk to McCarthy.

McCarthy now is dead but we have been well reminded of him by two traitors hustling to Moscow to give security secrets to the Russians to destroy us.

The FBI, CIA, and the state department should be forced to reveal the names of all known Communists in this country. These traitors must be closely watched during the visit of the soviet monsters to the U.N.
